5. sick bay update
6. sports equipment update
7. 2015 reunion
8. pending elections
9. open discussions

Mail/Correspondence

No mail received.

Account Balance

\$5,995.62

2015 Reunion

Next Year will be our 10th Anniversary. Memorial Day weekend, May23/24th,2015
Memorial Day is May 25th

Proposed Location: Maryland

The option of a cruise has been explored by President through the travel agents and it does not look feasible. Castro also explored and found some details about the costs, timing and reported to the group. The option is not feasible.

This will be an Elections year. We are looking for new ideas to move the association forward. Keeping an open mind and volunteering to help will be most appreciated.

Sick Bay Updates

Nana met with the contractor and the doors has been bought. They are proceeding to continue the work. We are hoping to have the project completed by this fall.

Donation of sports equipment

Links for the online dealers have been shared and are very useful. Most of the required goods are available. Orders will be placed this week. It was suggested that one or two members be nominated to support the effort. Edith Abbew and Ben Awuah were nominated and they agreed to help. Major will share the details with Edith and they 3 of them will try and wrap this up next week. Some information has been shared with the Sports Master and

A.O.B

Discussions were held around the sports equipment donation. It was agreed that the committee of 3 nominated will work on this and report at the next meeting

A discussion ensued around the equipment (hospital beds, etc) for the sick bay. Earlier discussions with the Headmaster indicated that the PTA will provide furnishings for the sick bay. Members felt that we might need to complete the job ourselves by providing beds and furnishings for the Sick Bay. No concrete decisions were taken.

A general meeting will be held on 31st August, 2014.

Edna moved, seconded by Evans Twum Danso, and the meeting closed at 10:10
